

County Names Klebe New Safety Director

Robert G. (Jerry) Klebe, 40, of Zion, a self-employed businessman, was named executive director of the Lake County Safety Commission Tuesday—but not without a fight.

Klebe takes over the \$7,200 a year post today. He was approved by the Lake County Board of Supervisors by a vote of 28 to 1 with three members of the board voting present.

Klebe was the pick of the county board judiciary committee which considered three choices for the post.

One of the choices was Robert H. (Mickey) Babcox, former Lake County Coroner, appointment was in doubt when Deerfield Township Asst. Supervisor Samuel S. Smith asked that the matter be held over for a month.

That motion was defeated however, by a vote of 22 to 10.

Smith pointed out that he was a member of the judiciary committee and he voted against Klebe's appointment.

He was joined by Lake Villa Township Supervisor

Ronald Coles who said the post could go unfilled.

"This is a waste of money," Coles said. "We could very well do without an executive director of the safety commission."

Both Coles and Smith brought out that the appointment of Klebe had been recommended by the judiciary committee without anyone having interviewed the three candidates suggested by the Safety Commission.

Smith said, "that before anyone was appointed, you could look into the background of the candidates, rather than taking at face value what was written in the application."

Avon Township Supervisor Norman C. Geary pointed out that there were 12 applicants interviewed by the Safety Commission and the background of none of these applicants was looked into further than the application for the post.

Smith told board members that the judiciary committee had never seen the candidate. Coles added that the commission, while submitting three names, recommended only one.

"You can take the number one man," Smith said, "or reject him. Then you can go on to number two or number three."

Geary suggested that the responsibility has been taken

away from the county board even though the board set up the commission and authorized the budget for its operation.

The only no vote cast was that of Deerfield Township assistant supervisor Grace Mary Stern.

Geary, Coles and Smith voted present.

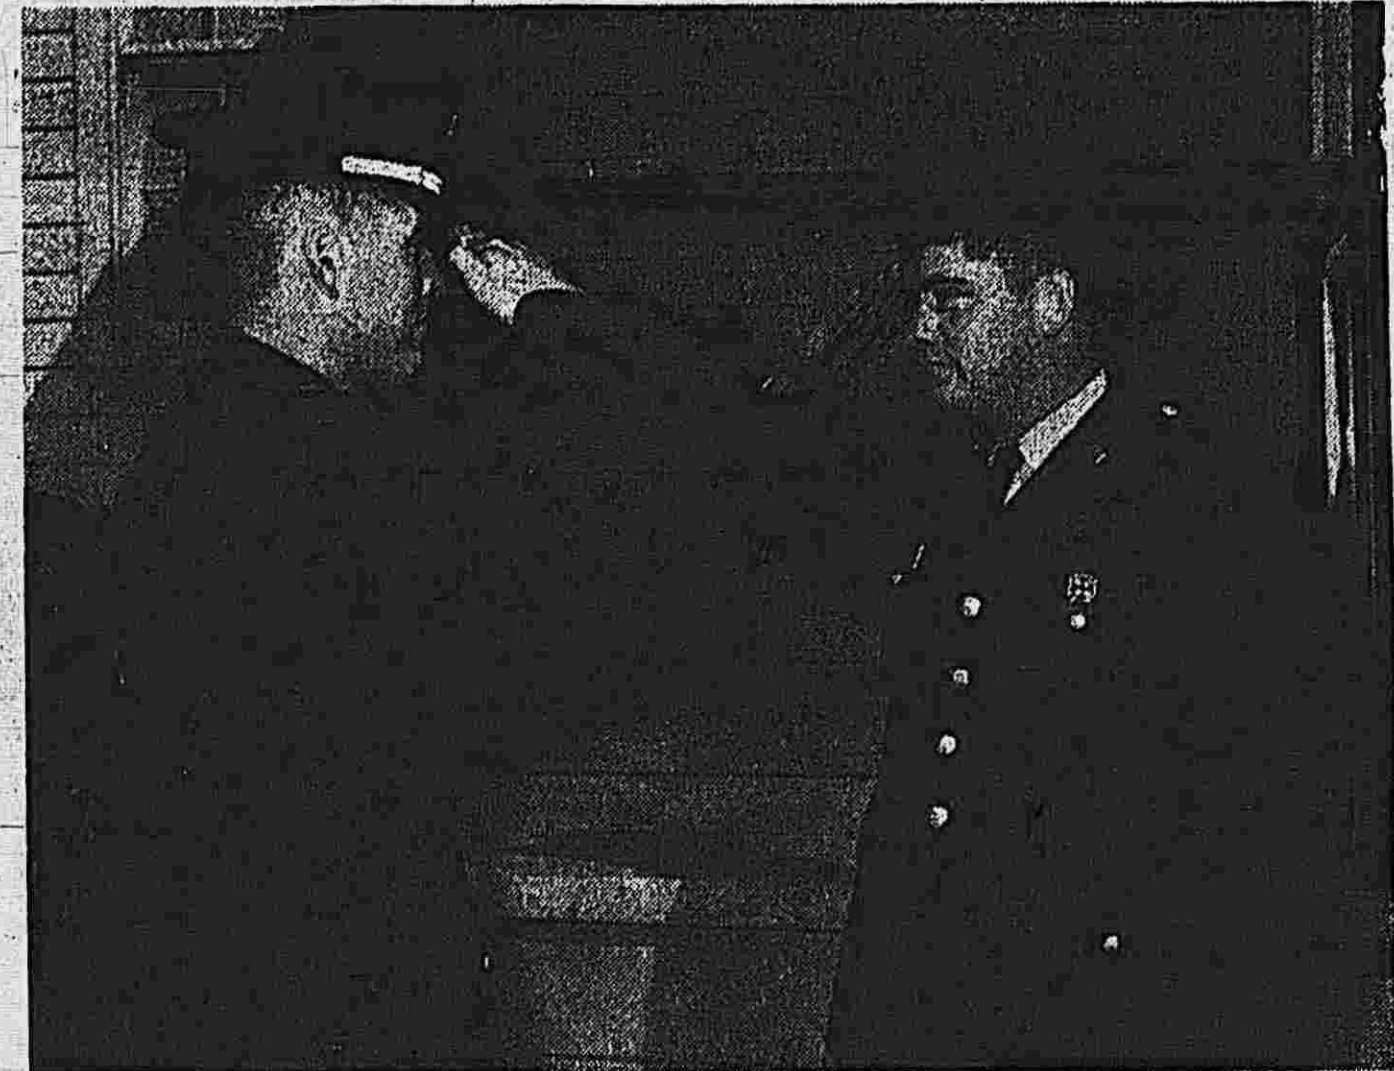

Klebe described himself as being in the premium and advertising specialty business developing sales and incentive programs.

Sheriff Gets Plane, Pilot Authorization

The Lake County Board of Supervisors Tuesday approved an airplane and a pilot for the sheriff's office to aid in law enforcement.

The board voted unanimously to enter into a contract with the Trans-Air Corp. to supply the pilot and plane from Feb. 1 of this year to Jan. 31, 1969.

The price of the contract is \$18 an hour. The contract specifies that the total hours of flight will be limited to 160.

FT. GORDON, Ga. (PAO)—YES SIR!—Newly commissioned 2nd Lt. Clement J. Haley, Antioch, returns first salute as an Army officer to his brother, Pvt. Michael J. Haley at Ft. Gordon. Lt. Haley, a graduate of Ft. Gordon's last Officer Candidate School class must pay his brother a dollar, according to an old Army tradition that the first enlisted man who salutes a newly commissioned officer earns it. YES SIR! — Brother

By Pvt. James M. Brayer
FT. GORDON, Ga.—A baker's dozen brother and sisters—the new lieutenant comes from a family of 14 children.

Lt. Clement J. Haley, a graduate of Ft. Gordon's final Officer Candidate class (4-68), Thursday, Feb. 8, has eight brothers and five sisters. Their ages range from eight to 32 years.

Pvt. Michael J. Haley, a student in the Signal School's communication specialist course at Ft. Gordon, attended his younger brother's graduation. Another brother,

er, Jerry, has been in the Air Force for 1½ years, and is stationed in Japan.

There are enough boys in this large family to make up a full baseball team and enough girls a bowling team or a basketball team. The entire Haley family could form a football team and three bench warmers with Mom and Dad as general manager and coach.

Lt. Haley, age 22, is sixth oldest in the family which hails from Antioch, Illinois, a small town near Chicago. He had attended St. Norbert's College in Green Bay,

Wis., where he majored in Economics.

In commenting on his 23 weeks in OCS, Lt. Haley said, "This has been one of the most rewarding experiences in my life. I wouldn't trade it for anything in the world."

Lt. Haley will take 11 weeks of specialized training teletype and telephone school at Ft. Monmouth, N. J.

Lt. Haley comes from the largest family ever to produce a graduate from Ft. Gordon's OCS. "The last family," the lieutenant said proudly, "only had thirteen."

Crime Commission Hits Circuit Clerk

The Lake County Crime Commission will hold its annual dinner meeting Feb. 27 in the Swedish Glee Club.

Daniel Walker, president of the Chicago Crime Commission will be the speaker for the affair.

The commission, in its first news letter since hiring C. Robert Post, former Lake County Safety Commission executive director, rapped the Lake County Circuit Clerk's office run by Stephanie Sulthinn.

The report said in part: "Many of the problems of our court system can be traced to this office."

"Recently one of our magistrates asked the operating director to see if he could do something to resolve a problem, whereby, too often a defendant appears in court and his file is not in court

and cannot be found.

"In going through 10,000 traffic cases it was found that many files were misfiled—with criminal cases being filed with traffic cases, jack-of-missing and no explanation."

Post said in his report that it was found that in many cases municipalities had not received their share of fine money collected by the circuit clerk's office.

"There was no indication that anyone was diverting any of this money for his own use," Post said, "but it was evident that a poor bookkeeping system resulted in poor distribution."

"This office is one of the most complex operations in county government and candidates should make their feelings known on how they propose to streamline his operation."

Murrie Nixes County Road Name Change

Grass Lake Road in Antioch is going to keep its name.

A move to have the road renamed to Murrie Road, after Antioch Township Supervisor Lloyd E. (Red) Murrie was defeated on the floor of the county board Tuesday after Murrie spoke against it.

The move to change the name of the road which begins and ends in Lake County was sponsored by Lake Villa Township Supervisor Ronald Coles.

Murrie, chairman of the Lake County Board of Supervisors hurriedly put the end to the motion by declining to have it presented.

Total Snow This Season: 24.9"

Remarks: First a correction on last week's report on January. We had 8 days 0° or below, 23 days 32° to 0° and 15 days 32° or higher.

In the January issue of the "Purple Martin Capital News," Reports have been coming in from Florida and Alabama on seeing Martin Scouts. The first were seen in Miami on Jan. 7th. This is the earliest reported sightings on record in the U.S.A. Others were seen at Bradenton and Inverness, Fla. on the 27th and at Mobile, Ala. on the 17th. I hope this indicates a mild and early spring, and not like the springs we have had for the past two years.

"Project Vietnam" Gets State, Nat'l. Attention

Antioch's "Project Vietnam" has now gained nationwide and statewide attention.

The nationwide recognition came in the form of the project being put into the Congressional Record by 12th District Rep. Robert McClory.

And Tuesday, Gov. Otto Kerner issued a proclamation lauding the project and urging other communities throughout the state to do likewise.

Project Vietnam was the brainchild of Harry Brehen, a member of the Antioch Post Office staff and it received the approval and was promoted by Postmaster Joseph Wolf and the entire personnel of the Antioch postal

group.

The project started out in a small way, sending Kool-Ade packages to each of the Antioch area boys to help make their drinking water more palatable.

Contributions then began rolling in from Antioch residents who wanted to share in the project and so it grew "like Topsy."

On Thursday, Feb. 8, Congressman McClory made the project part of the Congressional Record and he said, in part:

"During the month of February, a great number of special observances will occur. It is with pride that I call to your attention a re-

cent illustrated article in the Postmasters Gazette entitled 'Project Vietnam'.

"This is the story of the people of Antioch, Ill., a town in the 12th Congressional District.

"And this is a story of brotherhood, the best in human relations and the stuff of which American history is made."

McClory went on to say that not for a day, or for a month but day in-day out—Project Vietnam goes on because it is the year around way the people of Antioch say, "We love you" to the fighting men in Vietnam.

Teachers Salaries Up At Grass Lake School 4 Take Out School Board Petitions

The Grass Lake School Board Tuesday night authorized an increase in teachers' with a BA degree will receive \$6000.

This starting salary will be competitive with other districts the same size. I will not be competitive, however, with larger districts that will start teachers at slightly higher salaries.

Approval was given for hiring a part time lower grade physical education teacher for the 1968-69 school year. The board authorized

the hiring of Mrs. Joanne Dierking as a first grade teacher.

School board petitions were taken out by Earl Beese, who is running again for a three year term; Lawrence Yopp, three year term; Mrs. Betty Brown, a one year term and Mrs. Lorraine Cerk, a three year term. There are three openings for three year terms and one opening for a one year term.

Mr. John Schockmel reported on the Special Educa-

tion District of Lake County and its annual meeting Feb. 28 at Mundelein High School. The board authorized Mr. Schockmel to vote in the affirmative for the proposed special education building program. This means that the district will levy 2c for five years for their share of the construction program.

The board also took steps to study the need for improving the black topping and sidewalk conditions in front of the school.

Bill Murphy Throws Hat In Ring Again

State Representative W. J. Murphy (R-Antioch) today announced that he will seek re-election to the General Assembly in the Republican Primary Election on June 11.

Rep. Murphy has served the 31st Representative District since 1954 and will be seeking re-election to his 7th term in the House.

In his six terms in the House Rep. Murphy served as chairman of many statewide commissions and committees and climaxed his rise to power in State Government by becoming Majority Leader of

ACHS Needs More Room

Antioch Community High School is expecting the enrollment for fall of 1968 to exceed 1150 students. In order to utilize facilities to maximum next year, plans are being made to place Juniors and Seniors on the early schedule and Freshmen and Sophomores on the late schedules. The bus routes will be adjusted to accommodate this plan. The increase in enrollment for next year appears to be around 90 students at this time. 325 eighth grade students were tested recently by the counseling staff.

The ACHS Board of Education, under the presidency of William Brook, is continuing their planning and study for a new addition to the high school. After many months of careful study and consultation, the board will probably make formal arrangements for a bond referendum at the Feb. 21 regular meeting.

Narcotics Seminar Feb. 21 For Police

The Lake County Crime Commission will hold a day long seminar on Feb. 21 at the Farm Bureau building at the Lake County Fair Grounds. The Commission has invited police, school officials, plant security officers and anyone else who is interested.

The object of the seminar is to educate. Agents from the FDA and the Drug Abuse Control office will be on hand with samples of narcotics, films, literature and answers to questions.

There will be information on marijuana, what it looks like, feels like and how to

distinguish a reefer from a roll-your-own cigarette. The pill problem will also be discussed—and an attempt will be made to familiarize those in attendance with the different illegal pills in circulation, and what to do if they do find suspicious pills.

The seminar will be from 9:00 a.m. to 9:30 p.m. There is no specific time to attend, but the program will run continuously with a break for lunch from 12 to 1. C. Robert Pose, Operating Director suggests that attendance for an hour and a half would be adequate.

Bob Depke A Shoo-In For County Chairman

The next chairman of the Lake County Board of Supervisors will most likely be Warren Township Supervisor Robert Depke.

This was made almost crystal clear Tuesday when a move to throw out the practice of getting signatures of support fell on its face.

The move was sponsored by Waukegan Township Assistant Supervisor Roland J. Sandee, but the most he could muster was nine signatures.

Depke, it was reported at

this writing, has 23 signatures on his petition, four more than is needed to assure election.

Most prominent name on Sandee's petition was that of Avon Township Supervisor Norman C. Geary, an avowed candidate for the post but one who doesn't have enough votes to get the nod.

Sandee's petition had two main thrusts.

One was that a candidate for county board chairman publicly present his platform.

The second is that circulation of a petition among the board members asking for a written endorsement be discontinued.

Those signing Sandee's petition included August Cepon, William Lea, and Matthew Graeber, Waukegan; Alex Berner and Donald Stringer, Shields; Grace Stern, Deerfield; Cliff Johnson, West Deerfield; Geary and Sandee.

One of the comments on the move by Sandee was that it was "too idealistic."

The chairmanship of the board will come up at the April meeting.

The successful candidate will replace Antioch Township Supervisor Lloyd E. (Red) Murrie who has held the post for the past two years.

Antioch Faculty vs. Harlem Clowns Tonight At 8:00 p.m.

Tonight's the big night when Antioch High School Faculty plays their basketball game with the Broadway Harlem Clowns.

Game time is 8 p.m. at the Antioch High School Gym and tickets at the gate are \$1.25 for adults and 75c for grade school children.

Proceeds from the game go to the PTA Scholarship Fund and also to the support of high school athletic facilities.

The faculty has a roster long enough that they should be able to rotate players every five minutes. They're all brave men and will face the Harlem Clowns with vigor and determination.

There will be a preliminary game starting at 7 p.m., featuring the 6th graders of Antioch Grade School vs. the Oakland 6th graders.

License Deadline Midnight Feb. 15

Tonight, Thursday, Feb. 15, is the deadline for displaying 1968 license plates on motor vehicles. The deadline means that the plates must be mounted on the vehicles by midnight, and motorists failing to do so will be subject to arrest and a fine which can be as much as \$100 according to Secretary of State Paul Powell.

Student Council To Sponsor Flag Ceremony

The Antioch High School Student Council is sponsoring a flag presentation ceremony at the High School at 1:30 p.m. Feb. 22.

Three flags will be presented to the school.

The Antioch American Legion Post will donate a national flag; the student council will donate a state flag; and the Village of Antioch will donate a village flag.

The officials of the student council said anyone who wishes to attend the ceremonies in the school gymnasium may do so.

New Box Numbers For Route 1

Route 1 (Grass Lake area) residents were given notice of new rural post office box numbers on Tuesday.

Postmaster Joseph Wolf received many calls from the area residents, complaining about the box number changes.

"Postal carriers have a right to make box number changes every five years if they deem it necessary," said Wolf.

"Route 1 has been in a state of confusion, as far as box numbers are concerned, for quite some time. One box number at the present time is serving 19 persons," Wolf added. "We are attempting to correct this. We hope to have a box numbering system that will be efficient and up to date. Dave Runyard, the carrier on Rte. 1 will keep a record of old and new box numbers and mail will be delivered correctly."

No plans are in progress for changing any of the other route box numbers at the present time.

Your Congressman
Reports....

By Cong. Robert McClory

The Water Pollution Conference of Federal, state and local officials being held in Chicago points up the need for conserving pure water resources in Illinois and the nation. While the Chicago hearings relate primarily to polluted conditions in Lake Michigan, there is concern in Illinois' 12th Congressional District and elsewhere about polluted conditions in our rivers and streams, as well as in our underground sources of water.

Pollution of Lake Michigan by Illinois communities and industries is susceptible to a relatively easy albeit expensive solution. The municipal wastes from our Lake County communities will undoubtedly be diverted to passage in May of the North Shore Sanitary District referendum. This proposed \$35 million expenditure is expected to be augmented by Federal and state contribu-

a year post and the County Supervisors were expected to go along with the recommendation.

Klebe, an advertising novelty salesman, also received the recommendation of the Judiciary Committee of the County Board.

Made our first visit recently to the Chain O' Lakes area's newest supper club, The Arbors on Bluff Lake, and were highly impressed. One major reason for the decline of the lakes region as a leading resort area has been the dearth of first class accommodations for vacationers and visitors.

The Arbors should fill this void and perhaps inspire some of the other operations to follow suit in providing attractive surroundings, some class, and a fine meal.

tions to carry out large scale revamping of existing treatment facilities with the elimination of all sewage effluents which now empty into the lake. Industries likewise will be expected to find other means of disposing of their waste water effluents. The Lake County Department of Public Works may participate in a referendum for a supplemental amount at the same time. Citizen support of these local initiatives is necessary.

This will leave only the problem of the large Federal installations, at Great Lakes Naval Training Center and the Army base at Fort Sheridan.

Confronted with an executive order issued recently by President Johnson these Federal installations (which now account for three-fourth of all waste generated by Federal sources into the Lake Michigan basin) are expected to fully comply soon.

The reports of pollution resulting from dumping dredged materials into Lake Michigan by direction of the U. S. Corps of Engineers have been particularly disturbing. A new means of disposing of these dredged materials will have to be found as a part of the battle against water pollution.

Even the best municipal sewage treatment plants appear to remove only 85 to 90 percent of the pollutants. The remaining 10 to 15 percent continues to pollute the receiving water. In the face of extensive research on water pollution, it is a surprising commentary that no substantial improvement in sewage treatment technology has been developed in more than 50 years. When it is considered that constant advances are made in such sophisticated areas as space exploration and computer technology, the need for improved water pollution techniques cannot be overemphasized.

An area of particular concern to residents of Illinois' 12th District is the constant threat of pollution from private septic systems. Many of these malfunctioning septic plants are a constant threat to health when their effluents reach either surface or underground water sources.

It bears repeating that treatment facilities by industries should be spurred by tax credit or rapid depreciation

Powell's Office Makes Improvements & Changes

Plans are under way to send each Illinois passenger car owner a completed application form for 1969 registration of his car which need only be signed, notarized, any corrections entered and returned with the fee and the 1968 identification card, Secretary of State Paul Powell said today.

A return envelope will be included, and the forms will be mailed by September 1, Mr. Powell said in a talk before the state convention of the United Steel Workers of

America political education committee. The procedure is similar to that now in effect notifying drivers 30 days in advance of the expiration date of their driver licenses, and will be one of the first benefits realized from the computer system being installed for automobile registrations, Secretary Powell said.

Citing other changed procedures and methods in the Secretary of State's office in the last three years, Mr. Powell said the state is more than \$7,000,000 a year to the good because of reduced expenditures and increased revenue resulting from them.

Calling for bids on printing the "wheel book," the multiple volume listing of motor vehicle licenses, owners and descriptions of the vehicles, cut the cost more than half for a saving of more than \$453,000 over a two-year period, he said. Requiring payment of the statutory fee of \$2 for all requests for driver histories increased revenue from \$309,000 to \$1,658,000 in 1966, and he expects the final figure for 1967 will be at least \$1,800,000, Mr. Powell said.

Other revenue increases resulted from improved truck license enforcement, \$1,021,000 over a two-year period; revised issuance of driver licenses when the applicant submits his application after the expiration date of the old license, \$600,000; and increased corporation filing fees, \$4,000,000 a year and collections on bad checks, \$533,000 over a two-year period, Mr. Powell said.

In other areas, as a result of legislation he initiated, the driver license notification program is in effect, license plates are reflectorized, distinctive colored driver licenses are issued for adults and minors, the minimum license age will become 18 years effective Jan. 1, 1969, except for 16 and 17 year old applicants who have passed an approved driver education course, and an effective internal audit program has been started to check all expenditures, Secretary Powell said.

Leaflet Details New SS Benefit Improvements

A new leaflet describing the improvements in social security, signed into law by the President on Jan. 2, is now on hand at the Waukegan Social Security District Office, Bernard Barnett, district manager, announced today.

The leaflet, "Recent Improvements in Your Social Security," is available free of charge, Barnett said, and may be requested by telephone, mail, or picked up at the social security office.

The more than 40,000 beneficiaries in Lake and McHenry Counties will be getting increases in their monthly payments, Barnett pointed out. These increases, he said, will be included in the checks delivered early in March. As the leaflets indicate, beneficiaries do not need to take any action about the increase. It will come to them automatically.

Other residents in this area made newly eligible for monthly benefits must make application at the social security office to get their benefits started.

The leaflet describes the groups of people who will be eligible for payments beginning in March, if they apply promptly, Barnett said. Among them are disabled widows between 52 and 60 years of age; the children of women workers who have died; the dependent husbands and widowers of women workers who have retired, become disabled or died;

of legislation he initiated, the driver license notification program is in effect, license plates are reflectorized, distinctive colored driver licenses are issued for adults and minors, the minimum license age will become 18 years effective Jan. 1, 1969, except for 16 and 17 year old applicants who have passed an approved driver education course, and an effective internal audit program has been started to check all expenditures, Secretary Powell said.

and workers disabled before age 31.

The new leaflet also outlines the improvements in Medicare, the program of health insurance for persons 65 and over. Among the most important of these changes are:

1. An older person need not pay his doctor's bill before claiming his medicare payment;
2. Full payment can now be made for pathologists' and radiologists' services to medicare hospital patients;
3. A lifetime reserve of 60 days of inpatient hospital care to draw upon in addition to the 90 days already provided for each spell of illness.

Residents of Lake and McHenry County area may obtain a copy of the new leaflet at the Social Security Office, 2500 West Grand Ave., Waukegan, Ill. 60085. Barnett urged persons made newly eligible for payments to get in touch with the social security office promptly.

Illinois Democrats who were operating on the assumption that Gov. Otto Kerner would seek a third term as Chief Executive are bandying names about as avidly as Republicans now that he has declared himself out of the race.

Most frequently mentioned as possible successor-candidates have been State Treasurer Adlai Stevenson III, whose name would carry considerable weight at least among the liberal elements in the Democratic party, and Sergeant Shriver, who would draw considerable support from that wing of the party who favor anything with a Kennedy flavor.

Shriver has also been frequently mentioned as a possible candidate for U. S. Senator, but it is doubtful that Pres. Johnson would want a third Kennedy standard bearer in the Senate, particularly if he were to replace Minority Leader Everett M. Dirksen, the President's good friend.

At least one Chicago commentator has offered the name of Chicago Mayor Richard J. Daley as the likely candidate of the Democratic candidate, a possibility that would certainly eliminate any contests in the Democratic primary for the office. The Democrats will need a strong vote-getter in the Governor's race in November to help Pres. Johnson carry the big electoral college vote in this state so the appearance of Mayor Daley cannot be discounted.

Most Republicans have expressed dismay at the withdrawal of Gov. Kerner because they felt he would have been a more beatable candidate than Stevenson or Shriver and certainly they have little wish to tangle with Mayor Daley.

County Coroner Orville (Pat) Clavey, whose office personnel have been operat-

ing a revolving door basis of late, may find himself opposed in the June 11 primary by one of his former deputy coroners.

There has been some conversation bounced around here and there, particularly among law enforcement officers, that Capt. Eddie Pasko, of the Third Lake police department, would make a good candidate for the office. Pasko, a former Republican precinct committeeman, has conducted a series of classes as a deputy coroner and as a police officer under the late William Wood, Jr., former chief deputy coroner and Mayor of Third Lake.

The veteran police officer has completed several special seminars in elementary pathology, toxicology and investigations and would appear to be well-qualified for the post.

Taking precedence over any plans for his own candidacy at this time, however, is his organization of a committee of county police officers to support former Gov. William G. Stratton in his bid for the Republican nomination for Governor.

A concerted weekend drive to line up county board support for former Coroner Robert H. (Mickey) Babcox for the post of Executive Director of the Lake County Safety Commission reportedly fell short of the goal.

The Safety Commissioners recommended Robert G. Klebe, of Zion, for the \$7,200

Lake Villa To Buy New School Bus

The Lake Villa School Board Tuesday night voted to accept bids on a new school bus for the 1968-69 school year. They will buy either a 66 passenger conventional school bus or a 72 passenger forward control bus.

School board petitions were taken out by Julian Dziki, president of the school board; Ronald P. Schillinger, secretary; Raymond Rosing, and John Chmelir. Chmelir has been finishing out the unexpired term of Wilber Woelky who moved out of the district.

The hiring of James K. Johnson to teach 8th grade history and geography was approved by the board. Mr. Johnson will replace Joseph Paul who passed away in November.

Johnson graduated in January from Illinois State University at Normal and is from Rock Island, Ill.

The board approved the Federal Title II program for library books and instructional materials. The appli-

cation was accepted as submitted and the total amount Lake Villa will receive is \$3,027.75.

The board also accepted Federal Title I program for remedial work in reading and language arts for the summer. This program will provide remedial instruction for six weeks during the summer.

It would start June 24 and run for six weeks. One hundred per cent of the cost (\$7000) will be paid by the federal government. Six teachers will probably do the remedial work with the students and the children would be selected on the basis of greatest need from the Lake Villa schools and Prince of Peace. It is estimated that 60 children will participate in his program, which is similar to what was offered last summer.

The architect is working on the school blueprints and good progress is being made. Julian Dziki and Fred Teltz will attend the Special Edu-

cation meeting at Mundelein on Feb. 28.

The school board appointed Stephen Limbers as a representative on the executive committee for the Lake County School Board Association.

Haber, Badame & Polley High Scorers In Contest

Anthony G. Haber, a student at Antioch Community High School has been cited as a winner in the annual Current Affairs Contest conducted by Time News magazine.

Haber is the son of Mr. and Mrs. Lorenz Haber, Lindenhurst, Ill. He is a high scorer among 2,500,000 high school and college students across the U.S. and Canada who participated in the event, now in its 32nd year.

The Current Affairs Test, based on significant news stories in TIME, comprises 100 questions on national and foreign affairs, as well as business, sports, entertain-

ment, science, religion, literature and the arts.

Other high scoring Antioch students are Joseph P. Badame, and Warren M. Polley. Badame is the son of Mr. and Mrs. Nick Badame of Park Ave., and Polley is the son of Mr. and Mrs. Warren P. Polley of Osmond Ave.

The test, an exclusive classroom service of TIME magazine, has been taken by some 10,000,000 students since its inception 32 years ago.

Top scorers were awarded certificates of excellence and merit from James R. Shipley, publisher of Time.

ACHS Teacher's Ass'n OK Salary & Related Provisions

The Antioch High School Classroom Teachers' Association held its monthly meeting on Tuesday, Feb. 5, in the High School Cafeteria.

William Seemann reviewed the salary provisions tentatively established by the joint efforts of the Board of Education and the Teacher Negotiating Team. The Association then voted to accept these and related provisions. A further meeting has been scheduled with the Board Committee to pave the way for final ratification.

Miss Kathie Keenan, a new faculty member was introduced and she will be replacing Mrs. Ruthann Esterline, who is leaving the High School. Miss Keenan will be teaching Girl's P. E.

Miss Hebe Lambruschini from Argentina was introduced to the faculty. She is visiting the High School until February 16th in conjunction with a government program. President Ralph Brooke presented Miss Lambruschini with flowers on behalf of the organization.

Randall Arrested For Wrecking Spree

Jack Randall, 24, of Rt. 4, Antioch, was arrested and charged with unlawful damage to property early Monday morning.

According to a witness, John Wohlfel, Randall charged through town at a high rate of speed, heading north, on Main Street. He lost control of his car in front of Teresi Motors, struck two parking meter posts, a street sign and utility pole. The utility post fell and damaged the Don Pittman Motors building at 845 Main St.

Randall was taken to Victory Memorial Hospital by the Antioch Rescue squad, but was immediately released from the hospital after an examination.

Randall is to appear in Circuit Branch 3 on March 27 at 9:30 a.m.

Bill Pratt In England

Amn. Wm. E. Pratt, son of Mr. and Mrs. Edgar R. Pratt of Antioch enlisted in the air force in May of 1967.

He has been home on furlough for 36 days before being shipped to Newberg RAF base in England.

Pratt graduated from Munitions Specialist School where he learned the technique of loading bombs on planes, and will be attending an RAF school in England.

Pratt writes that he has been in London and "it is everything people say it is." He likes England very much and was greatly impressed with London's transportation system which he terms "excellent."

Bill graduated from Antioch High School in 1964 and had also attended Antioch Grade School. He graduated recently from Elgin Junior College.

Things look bright for this year: electric heat rates went down again January 4th.

Nice sense of direction.

You might say we're going your way. And we've been going your way for the past ten years. In fact, this is the tenth time in ten years that the price of electric heat has been reduced.

What it means is that modern electric heat costs less than ever before. And clean electric heat saves you money in other ways, too. You don't have to clean or decorate as often.

All in all, conditions seem highly favorable for you to move in the direction of electric heat in the year ahead. Besides, that's the only way to go if you want a heating system that will still be modern 20 years from now.

American Legion Auxiliary News

By Del Jahneke

There were approximately 50 people present at the potluck supper birthday party meeting of the Antioch, American Legion Auxiliary No. 748, held on Friday, Feb. 9, at the Antioch Legion Home. Mrs. Bernard Stadick, President, conducted a brief meeting. Mrs. Joseph Horton, Illini Girl's State chairman, announced that she had contacted the Antioch Community High School faculty, in order that they might select eligible Junior Class girls to be the delegate and alternate to attend Girl's State next June. The Antioch Unit voted to send the \$65.00 registration fee, so that they would be sure of an accommodation for their candidate. There is room for only 525 girls, at MacMurray College in Jacksonville, and it is a case of the early reservations being accepted first. There are nearly 900 American Legion Auxiliary units in Illinois, all eligible to send a girl to this educational week-long program, so the Antioch Auxiliary always sends in their reservation fee at an early date, before they even know the identity of their candidate.

Mrs. John W. Horan, Jr., Rehabilitation Chairman, reported that members and friends are still sending in cancelled stamps, and a stamp album. These stamps and albums are sent to the long term hospitalized veterans, and are a pleasant past-

time for these disabled men and women. There is always a tremendous demand for stamps, especially from foreign countries. The stamps may be sent to either Mrs. Horan, Jr., or Mrs. Stadick, and from there, they will be given to the state and VA hospitals.

Mrs. Lester Zilkus, Americanism chairman, states that she has received essays from the Oakland Grade School, St. Peter's Catholic Grade School, Antioch Community Consolidated Grade School and the Antioch Community High School. Local judges for this contest are Mrs. Edward Jahneke, Mrs. Roger Andrews, and F. A. Swenson. After the essays have been judged, cash awards are presented to the first, second and third place winners in each of the three classes, by the Antioch American Legion Auxiliary. The first place winners in each category are then entered into District competition. District winners then go into state competition.

The 10th District American Legion Auxiliary "Junior" members had a roller skating party scheduled for Feb. 18. This party has been postponed to March 3, and will be held at the Rink, 16th and Sheridan Drive, Zion, from 4:00 to 6:30 p.m. Mrs. Stadick, Junior Activities chairman, says that all Lake County Junior Auxiliary members are invited to this party.

Mrs. Ruth Tidmarsh, of Antioch and Mrs. Wilbur Paulson of Melrose Park are vacationing in Florida. They were recent guests of Mrs. Henry Pape at her winter home at Clearwater.

Ill. Traffic Deaths Decline In January

January traffic deaths totaled 156, a decrease of 15 per cent from the 183 reported in the same month last year, according to the Illinois Division of Highways.

Francis S. Lorenz, director of the Department of Public Works and Buildings, said the traffic fatality total for 1967 now stands at 2,502, a decrease of 20 from the 2,522 fatalities recorded in 1966. Last year was the first since 1960 in which Illinois' traffic fatalities were less than the total for the previous year, Lorenz said.

Viet Nam No. 1 Issue In Percy's Mail Bag

WASHINGTON — Senator Charles H. Percy, (R-Ill.), said that since the resumption of Congress the issue drawing the most communications to his office is Viet Nam.

Travel restrictions and the seizure of the U.S.S. Pueblo by the North Koreans rank second and third, Percy said, and the proposed income tax surcharge and proposed steel import quotas are fourth and fifth, respectively.

"Premies" To Go To Chicago Instead Of Peoria

Dr. John J. Ring, Acting Director of the Lake County Health Department announces a change in the Premature Infant Care Plan wherein St. Francis Hospital Premature Infant Center in Peoria will no longer be used. The transportation of distressed premature infants from Lake County Hospitals will be to the Grant Hospital in Chicago and Mt. Sinai Hospital in the Premature Infant Centers in Chicago.

The Lake County premature infants needing exceptional care have been transported for six years by a special transport team and an ambulance from St. Francis Hospital Premature Infant Center in Peoria.

The Lake County Department of Health recently held a workshop in St. Therese hospital to train 17 Registered Nurses from the six Lake County Hospitals in the special skills in caring for premature infants in transport.

The ambulance service has been contracted by the Lake County Health Department with Congdon Ambulance Service of Zion. The cost of transportation of premature infants are met by the Bureau of Maternal and Child Health in the Illinois Department of Public Health. The Congdon Ambulance Service has an experienced attendant and owns and keeps in standard operation, the Accel-Bator in which the premature infant is kept during transport. This is a combination acclimator and incubator.

The Lake County Health Department records show that of the 5,108 babies born in 1967, 440 were "premies" with 14 of them requiring intensive care in the Peoria Premature Infant Care Center.

Jehovah's Witnesses To Attend Assembly

The Antioch Congregation of Jehovah's Witnesses has been invited to share in a three-day assembly to be held at Lane Technical High School, Chicago, March 1-3. The three-day religious activity is one of three special periods of ministerial instructions furnished to Jehovah's Witnesses each year. Panel discussions, skits, talks, and experiences make up the format of the program and are all prepared and presented by local ministers.

Among those expected to attend from the Antioch Congregation are the Ralph Dowell family of Rt. 3, Antioch; the David Raymer family of Spring Grove; the William Mitchell family of Fox Lake; and Mrs. Ellen Pieper of Bridgewood Drive, Antioch.

Grass Lake Lumber To Offer New Range

A new range top that looks like a counter but cooks will be on display soon at Grass Lake Lumber Co.

This is a new concept in range-top cooking. The counter that cooks is simply a sheet of Corning's Pyroceram brand glass-ceramic material. Mounted beneath are heating elements with separate thermostats that give the cook unusually sensitive heat control.

A wipe with a damp cloth makes quick work of most spills. The entire range-top is sealed, so nothing can get inside.

FUNERAL NOTICES

ARBUTUS B. BUENING
Mrs. Arbutus B. Buening, 46 years old of Salem, Wis., passed away at 1:30 p.m. on Wednesday, Feb. 7, in the Kenosha Memorial Hospital following a long illness. She was born July 28, 1921, in Salem, and has been a lifelong resident of that community.

She was a member of Christ Lutheran Church at Paddock Lake. She had earned her teaching certificate from Whitewater State University, and had taught school in the Salem area for several years.

She married Howard Buening on Dec. 29, 1945 at Salem. She was preceded in death by one sister, Elaine, in 1943 and her father, Herman Schultz.

Survivors are her husband, Howard Buening, one son, Thomas Howard, U. S. Air Force at Keesler A. F. Base in Mississippi; her mother, Mrs. Ida Schultz, of Salem, and one brother, Jack Schultz of Salem.

Funeral services were held at 10 a.m. Friday at the Strang Funeral Home in Antioch. Pastor Alvin Pinke of Christ American Lutheran Church officiated. Interment was in Liberty Cemetery.

ETHEL A. ADAMS

Miss Ethel A. Adams, 78 years old, formerly of 1109 Bishop St., Antioch, passed away at 11:30 a.m. Saturday, Feb. 10 in the Golden Days Nursing Home at Zion, Ill., after a lingering illness. She was born Oct. 15, 1889 in Bristol Township in Kenosha County, Wis. She attended high school in Kenosha, then moved to Ingleside in 1909 and then to Antioch in 1913.

She was secretary and a partner in the Adams Lumber Yard from 1919 to 1929. In 1929 the yard was sold to the Antioch Lumber & Coal Co. She holds membership in St. Ignatius Episcopal Church at Antioch. She was a 50 year member and an honorary member of Antioch Chapter 428 of Eastern Star.

She was preceded in death by her parents, Henry and Mary Adams, and a brother, Horace Adams in 1929. (He was president of the lumber yard and it was sold at his death.) The only survivors are cousins.

Funeral services were held at 1:30 p.m. Monday, Feb. 12, at the Strang Funeral Home in Antioch. The Rev. Wilton Anderson of St. Stephen Lutheran Church officiated. Interment was in Green Ridge Cemetery at Kenosha, Wis.

MRS. AUGUSTA NOLAN

Mrs. Augusta Nolan, 92 years old who formerly lived at 5240 Grace Street in Chicago, passed away at 3:00 p.m. on Wednesday, Feb. 7, at the Magnus Farm at Arlington Heights, Ill., after a brief illness.

She was born April 15, 1875 in Sweden and had lived most of her life in Chicago. She was a member of Progress Lodge 379 of District lodge No. 8 of Vasa Order of America, and the Kronan Lodge No. 179 both of Chicago. She was a retired caterer by occupation. She was preceded in death by her husband, Thomas Nolan on May 8, 1949, and had married him on Jan. 20, 1908 in Chicago.

She is survived by cousins, one of whom was Matthew P. Nolan of Antioch.

Funeral services were held at 11:30 a.m. on Friday at the Strang Funeral Home in Antioch, where friends were able to call after 7:00 p.m. on Thursday. The Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Irving Park Boulevard Cemetery in Chicago.

FLORENCE M. MESKAN

Mrs. Florence M. Meskan, age 65, of Voltz Lake, Wis., passed away at her home Monday morning suffering an apparent heart attack. She is survived by one daughter, Joan Runyon of Voltz Lake, and one sister, Mildred Dimoff of Elmwood Park.

Funeral services are being held today (Thursday) at 2 p.m. from Colonial Funeral Home, with the Rev. Donald M. Cobb of Antioch Methodist Church officiating. Interment in Liberty Cemetery.

ALMA M. NUSSMEYER

Mrs. Alma M. Nussmeyer, 68 years old of Indian Point near Antioch, passed away at 8:00 p.m. Sunday, Feb. 11, at

MOOSE TOPICS

By Lillian Birdsell

A good way to lose all three games of a bowling match is to forfeit them, and that is what Antioch's Moose Team Two did, forfeited all three for not one of the team members showed up. They were to play the McHenry team who ended up to be the victors without a struggle. Team One also lost all three games but that wasn't because they didn't try. Even with Claude Andersen's high series of 574, all that captain Bob Hadley could say was, "That Zion Benton team was just too good." The next bowling match is scheduled at Crystal Lake on Sunday afternoon.

Ed Kurtz, custodian of the Antioch Moose, has been happier than usual lately and the reason for it is that he just became a grandpa. His daughter, Mrs. Kenneth Boas of Chicago gave birth to a baby boy at the Cuneo Hospital on Feb. 2nd. The baby who weighed 7 pounds at birth was 21 inches long and was born on his mother's birthday and wedding anniversary. Keep smiling, Mr. Kurtz, and remember when next Feb. 2nd rolls around, you have three gifts to buy instead of one.

Attending the Legion breakfast in Waukegan from Antioch were, Mr. and Mrs. Gerry Stoken, Mr. and Mrs. Scotty Birdsell, Mr. and Mrs. Seth Mark, Mr. and Mrs. Art Andersen and Pierre J. Claesens. Following the breakfast the Legionnaires held their meeting at which Arthur Andersen was appointed chairman of the nominating committee. North Moose Gene Hanner also announced that an honorary dinner for the outgoing North Moose and all past North Moose will be held in October. Scotty Birdsell was congratulated on receiving the Golden Ball from Mooseheart, an award from sponsoring the most members into the Legion. A Legion Ceremonial will be held at the Waukegan Moose Home next month on March 3 starting at 2:00 p.m.

A Men's Fashion Show will be held at the Antioch Moose Home on Saturday evening, Feb. 24. Dancing will be to the music of the Rhythm Kings and a smorgasbord will be served. All proceeds will go to the remodeling program now in process of completion. Gerry Mark, who heads this fashion show, promises it to be even better than the last.

Condell Memorial Hospital after a month's illness. She was born Feb. 16, 1899 in Joliet, Ill., and had resided in Chicago before moving to Antioch.

She had owned and operated the Radio Don Laboratory in the Pittsfield Building in Chicago for 14 years and had owned and operated a Dutch Mill Candy Store in Chicago Heights from 1948 to 1957.

She married Frank A. Nussmeyer on June 11, 1953 in Waukegan.

Survivors are her husband Frank A. Nussmeyer, and a sister, Mrs. Lillian (Fred H.) Streit of Rivera Beach, Fla.

Private services and interment were held on Tuesday. Strang Funeral Home of Antioch was in charge of arrangements.

Antioch Places 2nd In Wrestling Tournament Wilford & Mike Wells - Are Champs

The Antioch Varsity Wrestling team gave a good account of themselves over the weekend in the Varsity Conference Tournament.

Antioch placed seven boys in the finals of the tournament: Chuck Diemer at 95 lbs; Wilford Wells at 103 lbs; Bob Diemer at 133 lbs; Terry Triplett at 138; Mike Wells at 165; Bill Revell at 180 and Charles Hollacker, heavyweight.

Of these seven boys, two graduated as champions—Wilford Wells, defending his championship and Mike Wells.

Two boys placed third—Gary Aerne at 12 lbs. and Don Gaa at 154 lbs.

Coach Andrew Hauptman remarked: "I was well pleased with the job that the boys did during the tournament, but feel that we could have had one or two more championships but the reason that the boys lost was because of conditioning or the lack of tournament experience."

Coach Hauptman continued, "The Varsity Wrestling team suffered another great loss due to injuries and the team that will go into the Districts Friday will be short

three of their regulars. Dennis Pleviak at 112 lbs. broke his finger and is still unable to wrestle; Paul Lulofs at 127 is still weak from a glandular ailment; and Sunday, Chuck Diemer broke his leg. Chuck probably would have been seated as 2nd or 3rd at 95 lbs. in the district finals. He had beaten every boy except the fellow from Grant and had not wrestled the boy from North Chicago.

"At 112 lbs. Jack Westman is out on doctor's orders (not related to wrestling), and Terry Triplett at 138 lbs. is out due to a chest injury."

"This probably would have been Antioch's best year in placing highest in the district, but now our chances are very poor."

Coach Hauptman added: "I am sure that the boys filling in for the injured athletes and the rest of the Varsity wrestling team will give a

good account of themselves and do their utmost to keep our winning ways alive in the district."

The final results of the Northwest Conference Varsity Wrestling Tournament held at Antioch Community High School on Friday and Saturday, Feb. 9 and 10 put Antioch in second place.

(The tournament this year was to determine the individual championships only. The team championship was decided by the dual meet competition during the conference season.)

The final on the team standings were as follows:

	W	L
Grant	7	0
Antioch	6	1
Lake Forest	5	2
Warren	4	3
Wauconda	3	4
Round Lake	1	6

Sophs Lose To Warren 56-55

For the second Friday night in a row the sophs lost a close decision. This time it was to the league leaders, the Warren sophs, on their floor, 56-55. This is the same team which had beaten the sophs in an overtime game last month on the Antioch floor.

In Friday night's game the Sequoit sophs had a slow start. This was due to several turnovers against the Warren press and a meager 3-10 from the free throw line in the first half.

Then, in the fourth quarter Antioch gained a 7-point advantage only to have the Warren sophs close the gap and go ahead in the game by a single point with four seconds left. Our sophs were unable to get a shot off in the time remaining.

High scorer for the game was Warren's Guldán with 23 points.

Indian Point Couple Enjoy Stay At Abbey

Sales department employees who made their quotas were treated to a delightful weekend at the Abbey at Lake Geneva recently, by Commonwealth Edison Co.

Bob and Betty Flint of Indian Point were among the guests, and report a busy and delightful time was had by all.

Friday night the Commonwealth Edison group gathered at the Harbor House and enjoyed a sociable evening by the fireplace, ping pong and conversation. They went snowmobiling and afterward enjoyed hot spiced wine and fondue. They also visited the Sand Bar. A band with its members dressed like Charlie Chaplin entertained, and during the intermission, Charlie Chaplin movies were shown.

Bob and Betty skied at nearby Majestic Hills, went swimming at the Abbey pool, enjoyed a steak dinner and cocktail hour Saturday night and had a smorgasbord breakfast and dinner on Sunday.

Sequoits Beat Warren 86-70

For the fourth straight Friday evening, the Antioch Sequoits played some fine basketball. Last Friday, they beat Warren 86 to 70 at Warren.

Moving in front at the start of the game, the Sequoits were never headed. With Steve Miklautsch, Steve Owens and Tony Barnett hitting the basket consistently, the Sequoits finished the first quarter with a 26 to 20 lead.

Each quarter the Antioch team outscored the Warren Blue Devils, gradually increasing their lead. "Our offensive play was real fine, but we failed to click on the boards, and our team defense could have been better," stated Coach Andrews. "We also had some foul problems, too, but these mistakes can be corrected. Our shooting is really improving, as we hit 50% against Warren. This is real good," added the Sequoit mentor. The individual defensive play of Steve Miklautsch was a real pleasant surprise, as he held high scoring Bob Rudd to 13 points.

The rebounding for the Sequoits was lead by Steve Owens with 11, Steve Miklautsch with 10, and Rodney Boswell with 7. Scoring honors for the game went to Knute Nadelhoffer of Warren with 23 points. Leading Antioch scorers were Miklautsch with 22 points, Bar-

nett with 17, and Owens with 14. The entire Antioch team played well on offense. Jerry Martin, a reserve, looked real impressive during the second half as he replaced Tony Barnett, as Tony was in foul trouble.

It is hoped that the injured players, Dave Camp and Bill Smith, will return to practice this week and see some action on Friday. The game Friday is here with Round Lake. A victory over Round Lake would move the Sequoits into 4th place in the conference.

I.D. Cards For Gun Owners

Application forms are now being prepared for Illinois residents who qualify for a firearm owner's identification cards. Plans are to have the forms available at convenient locations throughout the state by May 1.

Manley D. Hawks, superintendent of the Firearm Owner's Identification Division of the Department of Public Safety, has said that preparation of the forms and designation of distribution centers is proceeding rapidly.

Supt. Hawks emphasized that application for a firearm owner's identification card must be accompanied by a photograph, approximately one and one-half inches square, of the applicant and the \$5 registration fee. The \$5 covers the cost of the identification card, which is valid for five years. Hawks also pointed out that the law enacted by the last General Assembly provides the system of identification of all persons qualified to buy and possess firearms and firearm ammunition. No registration of firearms is involved in this identification law, Hawks added.

Locations where applications for the cards may be obtained will be announced as soon as details of these locations have been completed. Potential applicants should obtain the required photograph.

Dennis Pleviak

"Dennis Pleviak at 112 lbs., broke his finger in the Harvard meet," stated Coach Hauptman, "and at that time was better than a 500 wrestler. If Denny can learn the wrestling moves, he will be a better than average wrestler next year for us. He had to sacrifice more than any of the other boys but was willing to sacrifice for the betterment of the team and himself. This alone will make the boy a champion and we hope Dennis will have a much better season next year."

Chuck Diemer

"Chuck Diemer has wrestled varsity at 95 lbs. for the last two years," said Coach Hauptman. "Until losing his championship bout at 95, his record was 12 wins and 1 loss. I felt that Chuck would take second or third in the district," remarked Hauptman.

"He is a much improved wrestler over last year and is only a sophomore. It looks as if he will stay at his weight or at the most will advance a weight class up," said Hauptman. "Chuck had the misfortune of breaking his leg Sunday while skiing at Wilmet and will be out for the rest of the season."

Men's Club

The Lindenhurst Men's Club gained seven new members at their Feb. 1 meeting. Coming as guests but leaving as members were Orville Burkhardt, Tom Anderson, Ronnie Coles, Harley Jenevewin, Louis Rechterman, Carl Powell and Jack Thompson. Twenty-five men attended the meeting.

A St. Patrick's Dance is planned for March 16 at the Civic Center.

The members have pledged 100% co-operation with assisting the Lindenhurst Women's Club with any affair they may run during the coming year.

Commander Chester White of the Antioch Veterans of Foreign Wars, was the guest speaker. He spoke about the forthcoming Loyalty Day parade to be held in Waukegan on May 1. It will be at 7:00 p.m. in order that everyone in Lake County may participate in it. The Men's and Women's Clubs are jointly entering a float.

Hockey Tournament

Six Lindenhurst men are currently having a hockey tournament at the civic center every Monday night. They have seven more nights to play.

and Women's Clubs are jointly sponsoring the new Teen Club that held their first formation meeting last Friday at the Lindenhurst Civic Center. Mrs. Betty Ireland and Mrs. Rose Marie Schaefer represent the Women's Club and Ted Flanagan and Ray Parpan are the Men's Club representatives.

Youngsters in Lake Villa Township between the ages of 13 and 17 will be eligible for membership.

Women's Club

Carol Sweeney, Louanne Cassidy, Judy Kemper, Eve Swanson, Lori Anderson, Carol Brendel and Mary Garcia represented the Lindenhurst Women's Club recently when they visited the veterans at Great Lakes Hospital. They distributed fresh fruit from the club, 96 bags of potato chips donated by Jay's Potato Chips, 50 decks of playing cards donated by the Lake Villa Bank, 17 model car-kits, also from the Women's Club, 75 cross word puzzle books donated by a relative of a member, several bottles of 7-Up donated by a relative of Mrs. Anderson, who is a distributor in the area. Samples of shaving lotion and razor blades were also donated. The ladies went through two wards.

Mrs. Earl Kelly was a patient at Great Lakes Naval Hospital for several days recently. Elmer Swanson has been a patient at St. Therese Hospital since Feb. 1. Mrs. Harry Kerns is also at St. Therese Hospital. Henry Schroeder recently returned from the Mayo Clinic at Rochester, Minn., where he underwent surgery. Cathy Anderson was a patient at St. Therese Hospital for several days last week. Mrs. Alice Campbell is recuperating at home after having major surgery at Victory Memorial Hospital two weeks ago.

Greg Mitchell Enlists

A family birthday party was celebrated Jan. 24 for Greg Mitchell at the Waukegan Inn. He is the 19 year old son of Mr. and Mrs. Francis Mitchell of Rte. 1, Box 177, Petite Lake Park, Lake Villa. Greg left Jan. 30 to go into the Aviation Marines. He is receiving his training at the San Diego, Calif. Base.

Sympathy Note

Sincere sympathy is ex-

pressed to Norma Gibbs and her children, Cindy and Michael. Their loss will be felt by everyone who knew Mike. Although he was only on the Lindenhurst Village Board a short time, he had accomplished quite a great deal.

Burn Victim

Three year old Stevie Crutchfield burned himself on the chest and arms when he set his pajamas on fire while playing with matches last week. His mother, Mrs. Mary Lou Crutchfield burned her hands quite badly putting out the fire. The Lake Villa Rescue Squad took him to Victory Memorial Hospital.

Pack No. 84 Meeting

The Webelos Den gave the opening and closing ceremony for Cub Scout Pack 84's monthly meeting Monday evening at the Lindenhurst Civic Center.

Mrs. Ann Sticker, chairman of the card party, reported that approximately \$200 was earned. A Bobcat ceremony was held, with Claude Anderson dressed as an Indian Chief. Boys welcomed were Russell Bethley, Brad Kleban and Jim Walsh. Curt Knoke also was to become a Bobcat but did not attend the meeting. The boys gave the Cub Scout promise or Webelo pledge.

Chuck DeSomer represented Troop 84 and welcomed Steve Coles and Tom Wismer into the Boy Scouts. The boys were received by two Boy Scouts when they crossed over the bridge, and exchanged their plaid neckerchiefs for the boy scout's red neckerchief.

The boys held their rocket race, from the blocks of wood that they had received at Christmas. With the help of their fathers, they designed rockets of all colors. Seventeen competed in the race, that had a poor start, but ended up very well. Winners in the finals were Bruce Nauer, first place; Don Swanson, second place; and in the Cub Scout semi-finals, Don Swanson was first; Shawn Chapman, second, and Russell Bethley third.

In the Webelos finals, Bruce Nauer was first; Steven DuMelle, second, and Gary Thompson third. Activity badges were presented to Rocky Olson, hard badge and gold and silver arrows and a denner badge. Jimmy Stahl also received a denner badge. Michael Golden, a silver arrow. Don Swanson, a gold and silver arrow and a wolf badge. Michael Garcia, a denner badge. Mitchell Kleban, gold arrow. Pat Mauck, silver arrow and a two year pin. Richard Coles, a two year pin. Eddie Halvey, a one year pin. Gilbert Povilaitis, a gold arrow. Chawn Chapman, silver arrow.

The annual Blue and Gold dinner will be held at the civic center Monday, Feb. 26 at 6:30 p.m. Parents and families of the Cub Scouts and Webelos are invited to attend.

Evelyn Swanson was in the kitchen, as usual, serving refreshments.

New Baby

David and Beverly Smith of 1832 Maplewood, welcomed their second daughter Jan. 24 at Victory Memorial Hospital. Little Kimberly Ann tipped the scales to 7 pounds 7 ounces. Her big sister, Sheryl Lynn will be four years old May 8.

Condolences

Sincere sympathy is expressed to the James Alfred-

son and Norbert Pischke families on the sudden passing of Carl Nurnberg, father of Mrs. Alfredson and Mrs. Pischke. The Nurnbergs had been living in Port Charlotte, Fla., for the past three years. They lived in Round Lake Park 25 years, before that. Their golden wedding anniversary was celebrated here Oct. 28. Condolences are also expressed to his sisters, Mrs. Anna Briggs and Mrs. Bernice Wurtz of Lake Villa. Sympathy is also expressed to the Robert Brauer family, on the passing of Mr. Brauer's father, Herman Brauer of Chicago.

Orientation Classes

Membership Orientation classes are held at St. Mark Lutheran Church every Sunday afternoon at 4 p.m. Those interested in learning more about the Lutheran religion are invited to attend.

Missy Takes Blue Ribbon

"Miss Mighty Meg" (Missy), 15 month old St. Bernard dog, took first place in the Milwaukee Dog Show recently and earned a blue ribbon and a medal for her owners, Mr. and Mrs. Ron Holden, 1812 Longmeadow.

Ice Show Opening

Mrs. Hilda Huntington took the twelve girls in her Campfire Girls group to the Ice Follies in Milwaukee on Sunday, Feb. 4. Assisting her were Mr. and Mrs. Marty Golden and Mr. and Mrs. Jack Bernard. Six other children also went along.

FROZEN GROUND MEAT

Frozen ground meat just as it comes from the retailer, minus any seasoning. Freezing tends to intensify seasonings, so it's best to add this just before the meat is to be cooked, during or following cooking.

Ground meat is frequently frozen in one, one and one-half or two-pound packages but it's a good idea to have a few ground meat patties packaged individually for quick burgers for the one or two needed on short notice.

Patties will separate easily if a layer of wrapping paper separates each one. They're easily cooked from the frozen state, if a slight increase in cooking time is allowed.

we care

Here's to your health...and beauty...and budget!

Did you know that we have our own line of A&P Health and Beauty Aids?

It's taken us a couple of years

to develop the line and we're not finished yet. Why so long?

Well, we wanted them to carry the A&P name and you know what that means.

They must be equal to or better than the nationally famous brands. That's a steadfast rule for any product bearing the A&P name.

Here's what we have so far:

SHAMPOO	TOOTH PASTE	MULTIPLE VITAMINS	BUFFERED ASPIRIN
HAIR SPRAY	MOUTH WASH	VITAMINS PLUS IRON	SPRAY DEODORANT
SHAVE CREAM	ASPIRIN	PETROLEUM JELLY	CHILDREN'S CHEWABLE VITAMINS

What does this mean to you?

It means a convenient opportunity for you to buy guaranteed quality products at significant savings.

Check the prices on this page. You'll see what we mean.

When you think about it...shouldn't A&P be your store?
